

THE BENEFITS OF *freefile*

Get the facts on doing your federal taxes online for free with IRS Free File.

1.3 BILLION DOLLARS SAVED

Free File means what it says: it's Free. Free File has saved its users more than a billion dollars in fees.

FREE SOFTWARE

The IRS partners with 14 software companies who make their brand-name federal tax prep products available. Ready when you are, only at [IRS.gov/freefile](https://www.irs.gov/freefile).

SECURE TECHNOLOGY

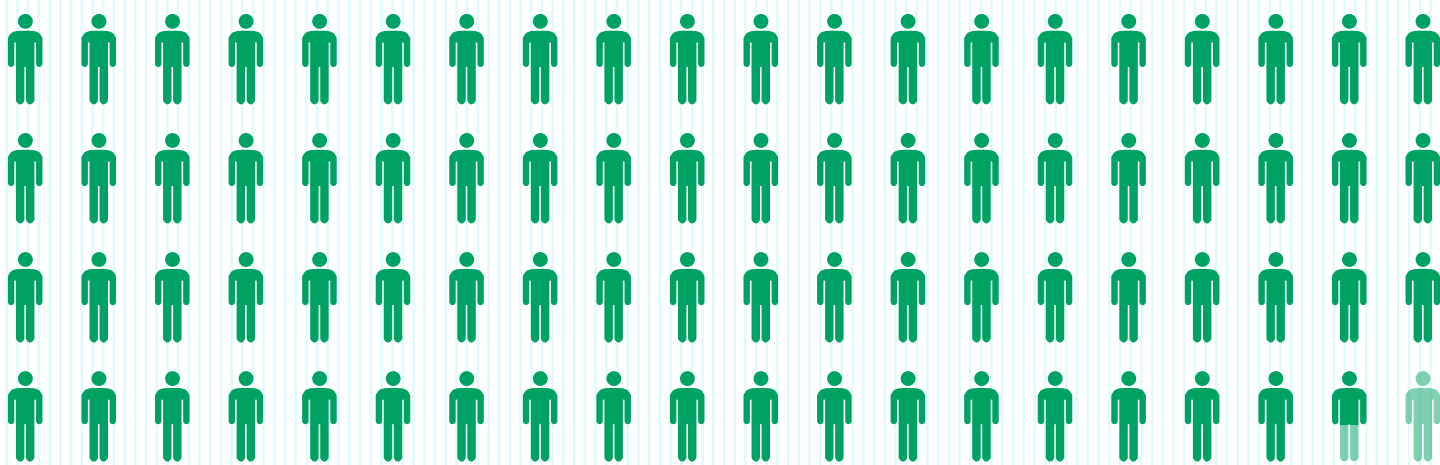

Once you select the best match for your needs, you'll be directed to their secure software to get started. Free File uses the latest in secure technology.

EXTRA HELP

Free File is also offered at select locations at Volunteer Income Tax Assistance (VITA) and Tax Counseling for the Elderly (TCE) programs. Search "VITA" on [IRS.gov](https://www.irs.gov) for locations.

OVER 43 MILLION PEOPLE HAVE USED FREE FILE, AND 98% OF USERS WOULD RECOMMEND FREE FILE TO A FRIEND

= 538,500 PEOPLE

If your annual salary is

\$60,000 or less

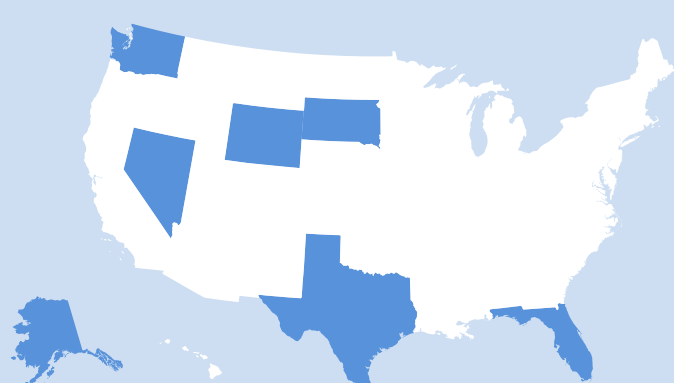

you qualify to use Free File software. If you made more than \$60,000, you're eligible to use Free File Fillable Forms.

*That's 100 million people!

TAXPAYERS NATIONWIDE CAN USE AND CAN BENEFIT FROM FREE FILE

7 states don't have a state income tax; so Free File is all you need.

19 states and Washington D.C. have their own version of Free File for their state taxes
